WEEKEND Tournaments - MIX CORPORATE

- No player is allowed to play more than one team in the same tournament and violation of the same will lead faulty side to loose the points for that match.
- Only those players will be allowed to play Knockout matches who played atleast one league match for the team during the tournament.
- Captains have to share their playing 12 members including Supersubs before the match starts on Criceros and all added members have to be present on ground with actual identity
- Umpires decision will be final. In case match is halted for some conflicts then Umpires will take necessary decisions to complete game within allotted time or will declare the decision based on the situation.
- Code of conduct has to be followed by teams in the campus of ground and any violations for the same will lead to necessary disciplinary actions against the team.
- Only 1 super sub players allowed max per team per match from the given squad to be added in Criceros app. However only 11 players will bat and 11 players will bowl on bowling side on field and super-sub players should be confirmed and announced to umpires before the match by captains. SuperSub player will be considered playing in league match if and only if he is utilised for Bowling or Batting, however utilising him just for fielding will not be considered as him played that particular league match.

WEEKEND Tournaments - MIX CORPORATE

- Matches will strictly run as per schedule. Teams which cancel the match or request for reschedule match within weeks time of scheduled game, will lead to losing winning points to the opponent of that match. Teams arriving late than reporting time will have to bear 1 overs penalty every 5 mins. If Umpires or Ground facility are not on time then no such penalties apply till they are available on ground.
- Matches will be rescheduled only in case When match has not started because of natural calamities, rains and ground is not in condition to play.
- Mankand rule - One warning will be given to the team and any such voilation is repeated then Batsman will be declared out if mankand has been successfully done by Bowler.
- Players playing should play with their actual identity as on their PAN CARD or ADHAAR CARD. Violation of the same will lead them to loose winning point to their opponent.
- Awards - Every match 5 awards will be given to 5 different players. Man of the Series, Batsman of Series and Bowler of series too will be given to separate individuals based on Cricheroes Leaderboard for the tournament
